Dedication

We, the graduating Class of 1966, do dedicate our Leopard Annual to Mr. Leonard Wilson. We are proud and honored to bestow this dedication upon him as a small payment for all the efforts he has put forth in the past four years in "preparing us for tomorrow." This has been no easy task, but he has exerted tremendous effort, along with much patience and understanding. Never along the way has he ever failed to set the example of a fine man, physically, mentally, spiritually, and morally. For all these we shall forever be grateful.

MR. BILLY RAY SMITH

TO THE ANNUAL STAFF, STUDENT BODY AND PATRONS OF THE NEW HOME SCHOOLS,

I want to express my appreciation to you for the excellent support you have given my wife and me these past seven years.

We are going to retire after this school year but we will not forget the students and people of New Home.

New Home has grown in size, respect, and stature and much has been accomplished. This could not have been done without the backing of the students, trustees, and taxpayers of this school, for which we are grateful.

I hope that New Home School will continue to grow and prosper and that you will continue to give your full support to the new school administration.

H. L. Miller

H. L. Miller

DEAR STUDENTS,

You of our public schools today, are our hope for a bright tomorrow. It is my sincere hope that you will enter your adult life with as much enthusiasm, as much initiative, as you did in the task of getting this far in the field of education. Live so that you will be an asset to the community in which you reside, and in so doing the community will be an asset to you. To succeed at any task means much, but to succeed in life should be your greatest ambition. I am confident that each of you will meet the challenge of the future and that you will resolve to serve society to the best of your ability.

The path of success is steep and narrow, but to those that achieve their desire, the satisfaction is far greater than the disappointments of the way up.

Sincerely,

Willard P. Hedges

Willard P. Hedges

TO THE ANNUAL STAFF, FACULTY, PARENTS, AND
OTHER STUDENTS IN OUR NEW HOME SCHOOLS:

We have had a rewarding experience this year thus far. I can truly say that it has been a pleasure to see the students grow and develop in the preparation for life that is ahead.

I have personally enjoyed the fine association, in particular, with the Annual Staff and the Administration of the New Home Schools. This alone has been a unique and enriching situation.

I shall always remember this year. May Dear Ole' New Home have many more successful annuals.

Sincerely,

Winn Talley

Principal
Junior High

Now down life's pathway we must go. Each day can be a great adventure; if we will place in our thoughts and minds our ultimate desires, ambitions, and aspirations.

To despair is to err, to falter and not get up will be your downfall. All of life's obstacles you overcome will make you greater by far.

I see many lives unfold and grow. My greatest achievement would be to know that in some way I inspired them to make the most of their lives.

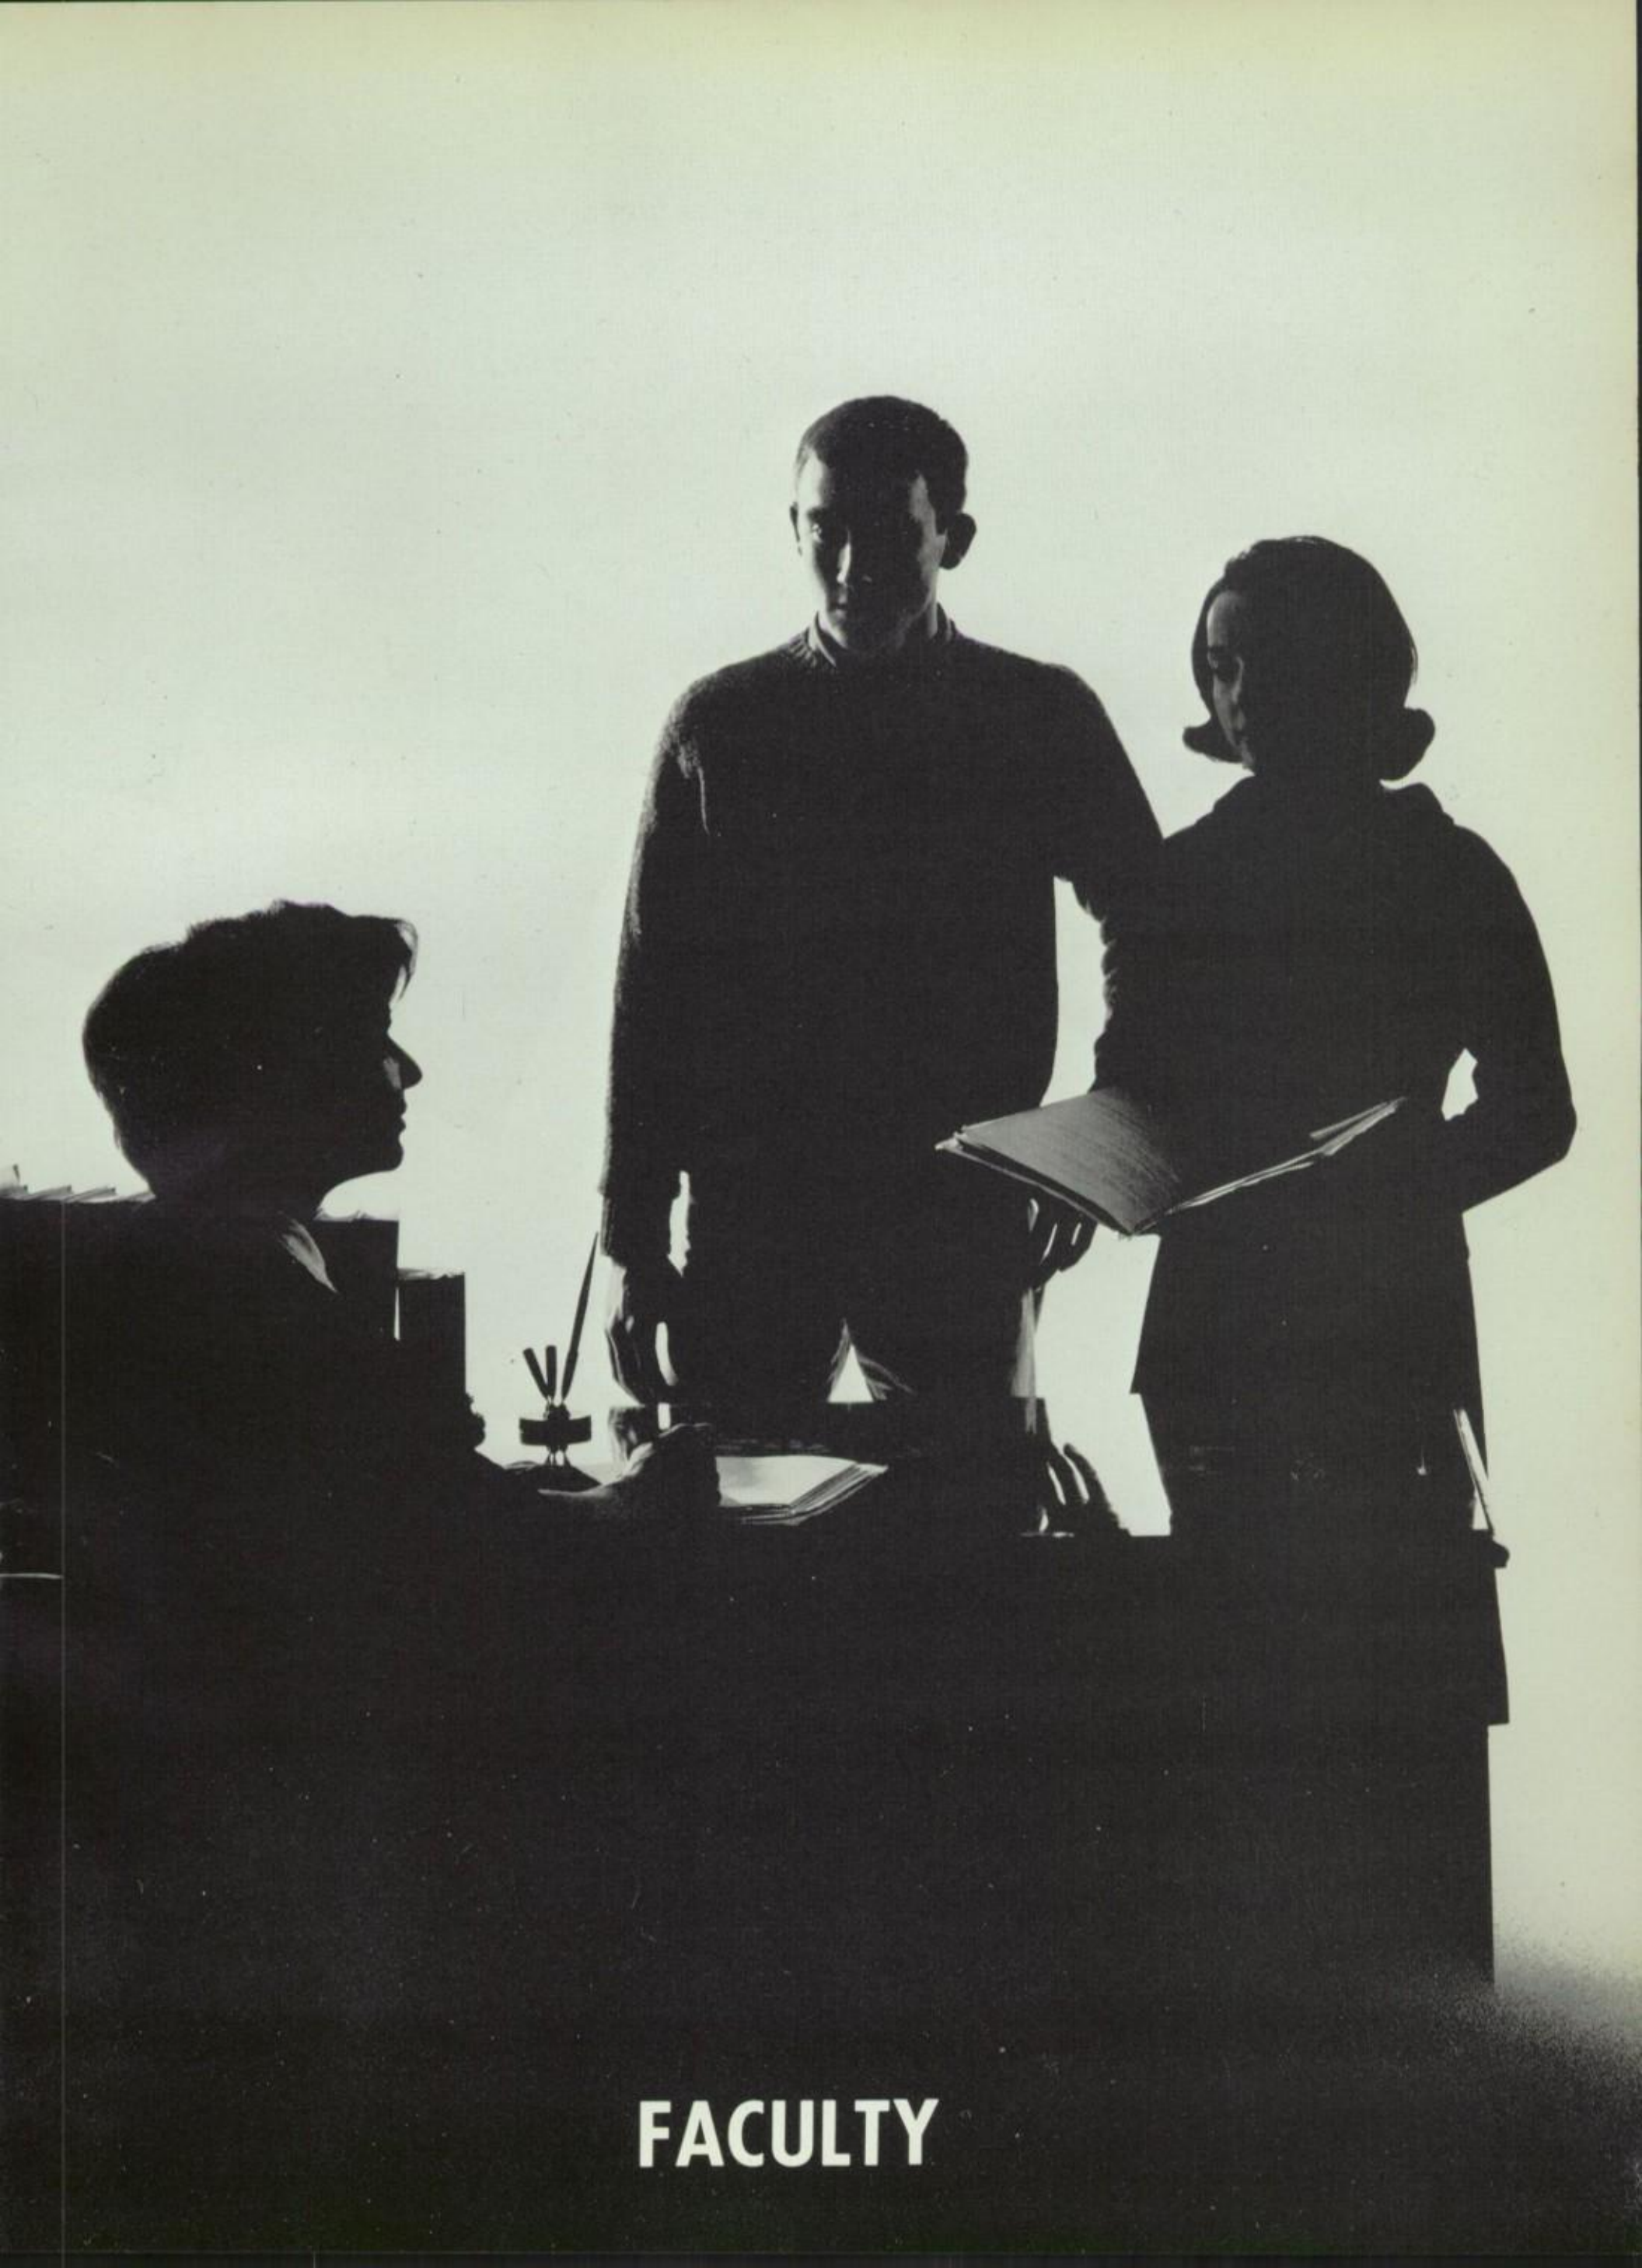

I wish to express my appreciation to my teachers for their understanding and their efforts in making better progress in learning.

Now, to the seniors and annual staff who are a wonderful group of students, thank you for all the many nice things you have done for our school and community. You were deeply appreciated and an asset to our school system.
